## BREAKFAST To Go Menu

*Welcome to Schmidt's Bakery and Delicatessen!*

*We here at Schmidt's are committed to providing quality and value with a smile in a pleasant atmosphere. Our founders, Harry and Charlotte Schmidt, started the business some 25 years ago out of their Berthoud farmhouse, wanting to share the goodness of their German heritage with all who enjoy good food. Beginning with the Bieroch, also known as a krautburger, they spread the flavor of simple German home-baked goods across Northern Colorado. In 1985, the Schmidt's took a leap of faith and opened their first retail store in Loveland, a venture which was a success from the start.*

*Since then, people from around the region have discovered the wonderful flavor and goodness of real bakery goods. Never again are discriminating palates satisfied with pre-frozen grocery store breads and pastries.*

*Schmidt's presently employs approximately 85 hard working and skilled people. In our bakery you will find everything from chocolate chip cookies to wedding cakes of distinction, all made from scratch. Only the finest ingredients are used in our production. Our Master Bakers have many years of baking experience, and our professional cake decorators and pastry chefs are the finest available.*

*In our delicatessen you will find quality European-style luncheon meats and sausages, including homemade sausages and fresh salads.*

*Our restaurant serves entrées of the same high quality found throughout our bakery. The European-style meals are served on breads and rolls made fresh daily in our bakery. We hope you enjoy your dining experience, and we are confident that you will return.*

*All it takes is a taste!*

*Thank you,  
The Schmidt's*
